Hints for the Examination

Date: Monday, 05. July 2010

Time: 14:00

Room: 460

- Only students which have registered for the examination and are on the examination list can participate.
- You have to show your student ID.
- Each page has to be marked with your name, your matriculation number and the page number.
- Only one side of each sheet shall be used.
- The total number of pages returned has to be written on the front page.
- Please use a non-erasable pen. The colour red is not allowed.

- The examination will be divided into two parts: the questions section and the tasks section. The total time will be 90 minutes (questions: 20 minutes, tasks: 70 minutes)
 - For the questions, no books and tools are allowed
 - For the tasks, the following tools are allowed: the script of the lectures, up to 3 books, your own hand-written documents.
- No electronic devices (laptops, mobile phones, netbooks, ...) are allowed at any time!
- Also not allowed are lab documents and copies from former examinations.
- Solutions will only be accepted if your approach can be followed easily.
- It will not be possible to answer questions regarding the content of the examination.
- The room must not be left without terminating and returning the examination sheets.

- The results of the examination will become available in StySis. You can check the status of the correction on my website.
- The examinations will be returned in the next semester. The date will be published in time on my website. Additionally, I will send an email announcement to your email address (if available). Raising an objection will only be possible at that date.
- Examinations which are not picked up will be stored at the examination office (Mrs. Nicole Mertens, room 1207) for one year.
